

# Product Data Sheet

## KM 80 W P

Petrol-powered sweeper and snow mover.

The KM 80 W P can be used throughout the whole year thanks to its multi-functional capabilities. The machine's front-mounted roller brush gives excellent outdoor sweeping performance and clears light snow. The optional dirt hopper collects all sweepings easily, and the optional snow shield helps to move deeper snow. The compact design and the folding, ergonomic push handle make the KM 80 easy to handle and store, and its reliable Honda engine with traction drive provide great performance even in slippery conditions.

### Features and Benefits:

- Pays for itself in all seasons
- Fast-change hopper and snow shield attachments increase performance
- The snow shield features a folding spring mechanism for shock absorbency
- Easy height adjustment and exchange of the sweeping broom
- Simple controls and comfortable operating position
- Easy transport because of compact shape and foldable push handle
- Easy access to all service parts
- Tough, proven components including Honda petrol engine with simple pull-start

# One machine for all seasons

Standard machine  
without accessories

Standard machine  
with optional dirt hopper

Standard machine  
with optional snow plough

## Accessories

### Standard Accessories

Sweeper brush  
(2 parts supplied)  
6.963-108.0

### Optional Accessories

Dirt hopper  
2.851-447.0

Snow plough  
2.851-446.0

## Technical Specification

	KM 80 W P
Motor / Engine	4-Stroke Honda petrol engine
Engine performance (kW / HP)	2.6 / 3.5
Working speed (km/h)	2.1
Theoretical sweeping performance (m <sup>2</sup> /h)	1680
Working width (mm)	800
Hopper capacity (l) - optional	40
Climbing ability (%)	18
Sweeping principle	Dustpan
Weight (kg)	70
Brush (swivel range)	Settable (left, centre, right)
Dimensions (L x W x H) (mm) (transport mode)	880 x 800 x 770
(working mode)	1040 x 800 x 1060
