

Product Data Sheet

NT 35/1 Tact (240V / 110V)

All-purpose dust extractor vacuum cleaner with automatic filter clean.

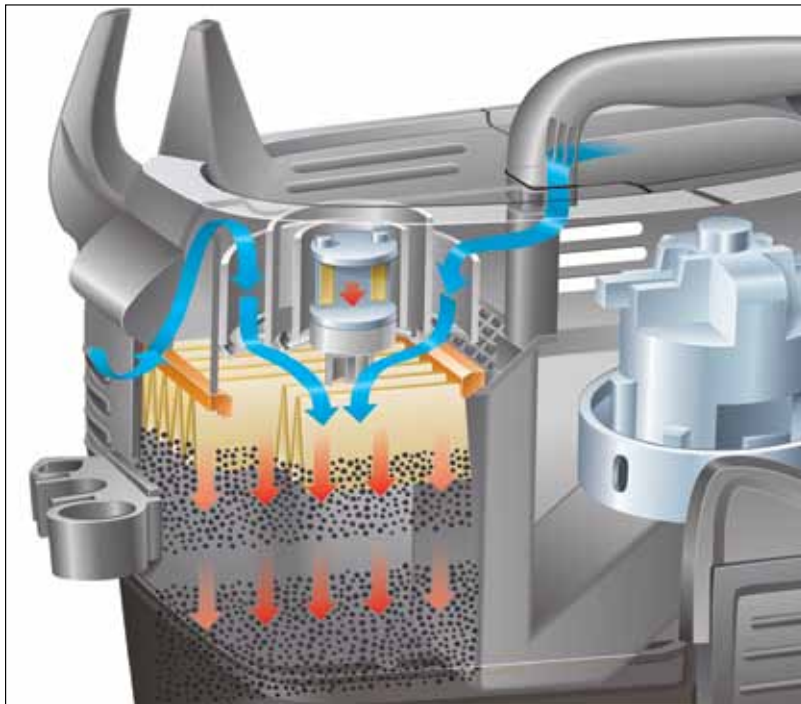

The NT 35/1 Tact is a tough, high performing vacuum cleaner capable of removing wet or dry dirt very quickly. With Kärcher's unique TACT automatic filter clean system as standard, the NT 35/1 is designed for continuous removal of even very fine dust without blocking up the filter, minimising downtime and therefore increasing productivity. The NT 35/1 is also available with automatic power tool on/off option (Tact Te version), which enables the vacuum to be connected to a power tool, and for the vacuum to be automatically switched on and off with the power tool – saving energy costs, reducing noise, and ensuring that dust made by power tools goes straight into the NT 35/1. The perfect machine for trade, crafts, industry, and anywhere else that portable, high performance dust control is required.

Features and Benefits:

- Constant high suction power - As a result of the fully automatic TACT filter cleaning system.
- Innovative Eco flat pleated filter system maximises capacity and convenience
- On/off switch for TACT system with LED display.
- Kärcher clip-system (suction hose).
- Integrated accessory holder on back of the machine.
- Suction hose and power cord can be stored on the turbine head.
- Large recessed flat tray on top of the unit for holding tools and accessories.
- Anti static system and automatic on/off control for power tools (Te version only).
- Variable speed control (Te version only) enables the suction power setting to be adjusted.

TACT - perfect for dust extraction

To ensure constantly high suction power and longer filter life, the unique TACT system automatically sends a blast of air back through the filter to eliminate blockages.

Accessories

Standard accessories

Wet & dry floor tool
300mm
6.906-512.0

2.5m Suction hose
with bend
4.440-626.0

2 x 0.5m metal
suction tubes
6.900-514.0

Crevice tool
6.906-240.0

Paper filter bag
6.904-290.0

Optional accessories

Nozzle set ID 35
(crevice/upholstery/round)
2.860-116.0

Metal floor tool
(ID 35-370mm)
6.906-384.0

Dry all purpose tool
(270mm)
6.906-511.0

PES flat pleated filter
6.904-212.0

Diaphragm filter
6.904-212.0

Paper filter bags
(5)
6.904-210.0

Coarse filter for wet
pick-up
6.904-287.0

Reinforced paper
bags (5)
6.904-259.0

Dust class L paper
bags (5)
6.904-171.0
